Advanced Registered Nurse Practitioner (ARNP) LICENSE RENEWAL INFORMATION

An ARNP in Iowa cannot renew his/her RN license or ARNP registration on-line. (Even if you no longer hold ARNP registration the system will NOT allow on-line renewal of the RN license)

ARNP renewal applications will automatically be mailed to those ARNPs who hold active registration approximately sixty (60) days prior to expiration. If you do not receive the yellow application please call (515)281-6488 or email: newnurs@iowa.gov.

Fees:

Advanced Registered Nurse Practitioner: \$81.00 (\$81.00 for each ARNP category)

Iowa Registered Nurse Renewal \$99.00

Late Fee for Iowa Registered Nurse Renewal \$50.00 (if postmarked after the 15th day of the birth

month)

A licensee who holds ONLY an ARNP in Iowa and resides in a compact state **other** than Iowa <u>MUST</u> hold an active Registered Nurse license in that state. <u>A photocopy of your active RN license or a copy of the online verification from the board website or from nursys.com **MUST** be submitted with the renewal form. (Some states may only issue an ARNP registration or a dual license – if your primary state of residence issues this type of card, either would be an acceptable form to be submitted with your ARNP renewal)</u>

ADVANCED REGISTERED NURSE PRACTITIONER – Continuing Education Requirement

An Advanced Registered Nurse Practitioner (ARNP) holding current certification in his/her specialty is deemed to be in compliance with Iowa Continuing Education (CE) requirements. There are no extra continuing education credits required for the RN renewal and ARNP registration. The ARNP is required to meet the CE requirements that are recognized by the credentialing body that offers certification in the nurse's specialty area of practice. Current certification is required to be maintained. A PHOTOCOPY OF YOUR CURRENT CERTIFICATION MUST BE SUBMITTED WITH YOUR RENEWAL FORM.

In addition, ARNPs, RNs and LPNs who regularly examine, attend, counsel or treat children or adults in Iowa are required to complete training related to the identification and reporting of child/dependent adult abuse. The licensee is required to complete at least two hours of training every five years. The course MUST be approved by the Iowa Department of Public Health Abuse Education Review Panel. The board of nursing must require the licensee, at the time of renewal, to document completion of the training requirements. For a list of approved curricula see: www.idph.state.ia.us/bh/abuse_ed_review.asp

IF AUDITED: As with all license renewals, a specific number of licensees are randomly selected for audit each month. If selected, a copy of the current ARNP certification issued by the certifying body is required to document that the ARNP has met the continuing education requirement.(Submit again) A photocopy of the

completion certificate documenting proof of attendance to an approved mandatory abuse course is also required when applicable.

Registered nurses and licensed practical nurses are accountable for the practice of nursing in accord with current Iowa Laws and Administrative Rules. A nurse practicing under the nurse licensure compact must comply with the state practice laws of the state in which the patient is located at the time care is rendered.
